Honesty Activity

HONESTY BANNER
(Project, 25 minutes)

Make a large sign or banner to remind students how they can practice the five "I Wills" for Honesty.

Discuss the five "I Wills" for honesty so that students understand how to apply this character trait to their lives. (See page 4 of the Honesty Curriculum.) Then divide the class into five groups so that each group can discuss ways to illustrate one of the five "I Wills." Challenge students to be creative and work together to design an image or drawing that illustrates their point.

Give each group a large sheet of paper and something to use for drawing or painting their illustration (markers, crayons, paint). When finished, collect the five posters and string them together to form one large sign or classroom banner.

Supplies: five large sheets of paper; markers, crayons, or paint supplies; string and tape
