

Honesty Activity

LION FACE

(Project, 25 minutes)

Make a lion to help students remember to be honest in all they say and do.

Cut 20 strips of yellow paper. Curl each strip around a pen or pencil, and tape the strips to the inside edge of a foam cup so that the strips curl out. Draw a nose and mouth on the bottom of the cup with a black marker.

Draw two eyes on a piece of white paper. Cut out the eyes and tape them to the top of the cup. Cut tiny strips of black paper for whiskers. Tape the whiskers to the side of the cup near the nose.

Supplies: foam cup; yellow, black, and white paper; pen or pencil; black marker; scissors and tape
